

Replace this with Your Title

Your Name Goes Here

An Application to the NASA Postdoctoral Management Program

Title of Research Opportunity: ENTER RESEARCH OPPORTUNITY TITLE

NASA Center: ENTER NASA CENTER NAME

NASA Advisor: ENTER ADVISOR NAME

Abstract

Replace this text with the text of your abstract.

This is an example using the L^AT_EX template for the NASA Postdoctoral Management Program (NPMP). Provide a summary of your goals for a possible appointment to the program.

The [natbib](#) package provides multiple citation options as described in [Daly and Ogawa \[2010\]](#).

Figure 1: example caption

1 Background

Discuss your prior management experience and background, including your previous knowledge, skills and abilities.

2 Relevance of your NPP experience to the Management Program

Describe how your experience as a NASA Postdoctoral Program Research Fellow is relevant and helpful to appointment in the Management Program.

3 Expected Contributions

Discuss the contributions you expect to make as part of the NASA Postdoctoral Management Program in general and in your chosen opportunity in particular.

4 Methods and Innovations

Discuss the methods you will use to achieve your goals, and discuss in what way these methods may be new or innovative.

5 Career Goals Beyond the Management Program

Discuss how your participation in the Management Program will help you achieve your career goals.
